

## UNAFEI Professors Visit Africa

From June 10th to the 27th, Professor Moriya, Professor Hirose and Chief Officer Tada visited Cote d'Ivoire (Ivory Coast), Senegal, and France to research the criminal justice systems in those countries. They were particularly impressed by the African criminal justice officers' determined efforts to enhance the rule of law despite the scarcity of resources. This research visit was conducted in order to prepare for the UNAFEI Criminal Justice Training Programme for French-Speaking African Countries, which was launched this February and will continue for four more years. UNAFEI is now planning to hold one more course from February to March 2015 and, thereafter, regional seminars will be held in Abidjan, Cote d'Ivoire.
