

[The Comparative Study on Criminal Justice Systems of Japan and Nepal \(8/28-9/11\)](#)

From August 28th to September 11th, we conducted a comparative study with Nepalese participants with the cooperation of the International Cooperation Department (ICD) of the Research and Training Institute of the Japanese Ministry of Justice. In this course, we welcomed 5 prosecutors and 2 judges (including one professor from the National Judicial Academy of Nepal) as well as a Visiting Expert, Dr. Yubaraj Sangroula, former Attorney General of Nepal and currently a professor at Kathmandu Law School. The major theme was “Speedy and Efficient Criminal Procedure”.

Through the study, we exchanged tremendous knowledge, experience and ideas. We were impressed by the efforts of the Nepalese judiciary for improvement such as utilizing the Fast Track Procedure.
