

## **The 11th Country Focused Training Course on the Juvenile Delinquent Treatment System for Kenya**

### **1. Duration and Participants**

From 15 February to 10 March 2011

Fifteen participants from government agencies involved in juvenile justice:

Dept. of Children's Services; Ministry of Gender, Children and Social Development; Dept. of Probation and Aftercare Services; Dept. of Prisons; Office of the Vice President and Ministry of Home Affairs; Kenyan Police Service; and the judiciary.

### **2. Programme Overview**

Since October 2009, JICA has provided the Kenyan Government with technical assistance in, "Child Care and Protection Officer Training (CCPO Training)." This project aims to establish a scheme of capacity building for officers of juvenile justice agencies.

In this Course, to promote the project, what participants did were to:

- Review the contents of the pilot CCPO training programme (the curriculum, its delivery methodologies, training manuals and modules, all of which have been implemented on a trial basis so far).
- Through lectures and field trips, to understand what it takes to treat juveniles under the juvenile justice system.
- Recommend revisions to the current curriculum and manuals for the CCPO training programme and build action plans to improve same.
