

The 12th Country Focused Training Course on the Juvenile Delinquent Treatment System for Kenya

1. Duration and Participants

From 14 February to 9 March 2012

Fourteen participants from juvenile justice agencies* of Kenya

*Dept. of Children's Services, Ministry of Gender, Children and Social Development; Dept. of Probation and Aftercare Services and Dept. of Prisons, Office of the Vice President and Ministry of Home Affairs; Kenyan Police Service and the judiciary.

2. Programme Overview

The Kenyan Government, since October 2009, has been involved in JICA's technical assistance project, "Child Care and Protection Officer Training (CCPO Training)." This project aims to establish a scheme of capacity building for officers of juvenile justice agencies.

In this Course, to promote the project, participants learned to:

- Understand theories and practices of OJT (on-the-job-training) through lectures, visits to relevant organizations, and group work discussions.
- Understand what is required to treat juveniles under the juvenile justice system through lectures and field trips.
