

The 13th Country Focused Training Course on the Juvenile Delinquent Treatment System for Kenya

1. Duration and Participants

From 30 January to 22 February 2013

Eleven participants from juvenile justice agencies* of Kenya

*Dept. of Children's Services under the Ministry of Gender, Children and Social Development; Dept. of Probation and Aftercare Services and the Dept. of Prisons under the Office of the Vice President and Ministry of Home Affairs; the Kenyan Police Service, and the judiciary.

2. Programme Overview

The Kenyan Government, since October 2009, has been involved in JICA's technical assistance project, "Child Care and Protection Officer Training (CCPO Training)." This project aims to establish a scheme of capacity building for officers of juvenile justice agencies.

In this Course, to promote the project, participants are to:

- To understand theories and practices for adjustment of environments of the children prior to their release from institutions, to realize their earliest possible release from institutions, and to ensure their smooth transition and rehabilitation into the community, through lectures, visits to relevant organizations, and group work discussions.
- To understand what is required to treat juveniles under the juvenile justice system by lectures and field trips.

3. Lectures
